Contract start date:	10 November 2008
Completion date:	March 2009
Contract value:	£1M
Client:	London Borough of Barnet

**Project Description:**

Refurbishment of the Civic rooms at Hendon Town Hall

**Construction details:**

Hendon Town Hall is a Grade 2 listed, two storey traditionally constructed building

Internal works consist of demolition of existing walls, and the renewal of structural columns and beams, to accommodate the new layout alterations. This will create a new business unit .These works will also include for excavating and concrete infilling for the new supporting pad foundations.

A new passenger access lift is to be installed from the ground floor to the first floor public gallery beside the Council Chamber.
